The Emporia News.

THURSDAY, DECEMBER 1, 1931

The first installment of gas bills arrived Friday.

The trusses for the roof of the M. E. church are being placed in position.

The streets were lined with teams Saturday, and our dealers did a rushing trade.

A number of new volumes have been added to the Lyon county teachers' library.

Le Sargent, the merchant tailor, has sold out his building and stock to L. W. Lewis.

There is general complaint about the poor quality of kerosene now sold in Emporia.

Milt Noble, of Phoenixville, will be in Emporia sometime between this and spring.

D. G. Jones has established a coal yard on Commercial street directly south of Wilcox's grocery.

Howard Conant, Emporia, is the day's town on prohibition violators. No guilty man escapes up there.

If there is a thoroughfare in Kansas that can make a better show on a busy day than Commercial street, we would like to know it.

A fine gold watch, valued at \$100, which was raffled off at the Coolidge by C. M. Parker Thursday, was taken in by Conductor Hamilton.

The A. M. E. sociable at the Bigler store Thursday evening was a very successful affair and netted the ladies a neat little sum.

Charlie Northrup, living on Railroad street, drew the china set at the entertainment given by Prof. Taylor, the altoist, Friday evening.

The T. B. Band has rented the room above Ireland's grocery from Captain Heritage and it is being fitted up in a manner that will make it one of the best halls in the city.

The turkey shoot of Halberg's garden Thursday afternoon was a success. The turkey was sold for \$100, and was participated in by quite a number of "shootists." Steve Rich bagged the largest number of birds.

James Campbell and Miss Nannie Healey were married in the Second Baptist church Thursday by Elder Brown in the presence of a large number of friends. The wedding was followed by a reception at the residence of the bride which was quite a pleasant affair.

It seems that Emporia is to go into winter quarters with the old side walks which, even two years ago, challenged competition among the cities of Kansas as successful main-roads. The city should not complain if it is to be a dozen steps for damages on its hands in the spring.

There was another hitch in Volmer's wheel of fortune Friday. He was arrested by Police Officer Barnes for driving a liquor wagon, and was sentenced to imprisonment in the county jail for thirty days, but took an appeal to the district court. Volmer seems to be very anxious to get back to the old quarters which he occupied so long when he was in Emporia before, and if he only keeps on bucking the temperance law he is bound to be accommodated.

The Thanksgiving dinner given by the ladies of The Congregational church at Whitely's opera house Thursday was a grand success. The patronage was liberal, though not more so than the extensive and complete preparations were warranted. The tables were arranged in the most tasteful manner, and the bill of fare included all the substantial and delicious which go to make a first-class Thanksgiving dinner. The menu embracing roast turkey, chicken and pig, cranberry sauce, all varieties of vegetables, mince pie, pumpkin and corn pie, plum pudding, leeked fruits, nuts, coffee, etc.

In the evening an oyster supper was held which was largely attended and enjoyed a very successful affair. The gross proceeds will aggregate considerably over \$100, a fair proportion of which will be profit.

Ledger: Old Volmer has a new device to beat the temperance law. Glasses are set on a wheel in a class partition, and on the rim of the wheel are placed the names of the various cities. The wheel is turned by a small hand, and the name of the city which comes up is the one which is to be fined. PERSONAL MENTION.

O. T. Trimble started last Friday for a visit to Ohio.

Mr. Geo. A. Ferdinand has returned from Duluth.

Will Bacon, cashier of Sherman & Richardson, is quite ill with fever.

Rev. Charles Mitchell spent Thanksgiving day with his relatives in this city.

President Welch, of the State Normal, went to Neosho Falls Friday to deliver a lecture.

W. R. Barlow, a crack watch-maker, has been employed by H. J. Bird, the jeweler.

Billy Jones, the Register of Deeds, is buying stoves to put on his ranch on the Verdigris.

Mrs. Elder Rice and children returned Friday from a visit of some weeks in southeast Missouri.

Col. J. W. Feltman is able to get out again after severe relapse of inflammation.

Ed Bauman, storekeeper of the Cliff House, at Florence is nursing a sore foot at the Park Place Hotel in this city.

Mr. H. H. H. is in the city and is looking at real estate in this vicinity with a view to locating in Lyon county.

Charles Kling, a former type of this city, but now in the employ of the State of Kansas, is spending a few days in Emporia.

County Clerk Ewing went to Wichita Friday to be present at the organization of the Knights of Pythias at that place, that evening.

We regret to learn that Mr. Alexander Bailey, an old citizen of Emporia, is lying in a very critical condition at his home on East street.

Rev. Mr. Harper, a Congregational minister who recently arrived in this country from England, is stopping at the Coolidge. He will probably locate in Kansas.

Mr. and Mrs. Charles Rogers, whose recent wedding at Cincinnati has been noted in this paper, have returned home and are stopping at the residence of E. D. Horton, father of the bride.

The report extensively circulated that President Welch has resigned his position in the Emporia Normal school, moved to Topeka, and commenced the practice of law, is contradicted. "Chief" Welch is still in Emporia.

The report is only a little "prevailing," that all. We believe it is the Professor's intention to do what is stated above at the end of the present school year, in June next.

Thanksgiving in Emporia.

The beautiful weather Thursday added greatly to the enjoyment of Thanksgiving, and did much to stimulate the spirit of gratitude in the hearts of the people. Business was very generally suspended, and the freedom from its cares was enjoyed in many different ways by those whose busy lives enable them to appreciate the value of an occasional holiday. The young folks, many of them, improved the opportunity offered for driving, calling, skating, etc., and many of them put in the day quite pleasantly.

The dinner given by the ladies of the Congregational church, at Whitely's opera house, was a noteworthy feature of the day, and was very liberally patronized.

Persons of devotional tendencies were instructed and entertained by Elder Loeb, of the Christian church, who preached a very excellent discourse in the Presbyterian church on "Progressive Development," in the treatment of which the following central ideas were elaborated:

First—In the unfolding of the scheme of redemption it was necessary that man might know the course of sin and become willing to be saved.

Second—God made the Jews the instruments through which He might reach other nations, whether in captivity or at home.

Third—Christ came, just when the world was looking and longing for him.

Fourth—Jerusalem became the center of the world, and the center of the world, religiously speaking.

Fifth—The center of light has changed from Jerusalem, Palestine and the east, to the new world and the United States.

Sixth—Our nation is strong because of its home.

Seventh—Twenty years ago we were divided. By the death of our president we were united.

Eighth—We are the source of light to other nations.

Ninth—Our life depends for its completion on the purification of the national heart.

Tenth—The full term in the car is for us to help and enjoy.

The services were well attended, and the sermon is spoken of in its hearty terms by those who gave ear to its truths.

The day taken all together was a happy one for Emporia and passed off in a very satisfactory manner.

Normal Notes.

THURSDAY, NOV. 29.

Perhaps it has been noticed that there was an unusual number of nice looking people on the street yesterday.

The Normal had a holiday, in many of the students went home to study Turkey.

Both the literary societies have posted their programs for one week, and adjourned until then.

Counselors have been appointed to sell tickets for Prof. Hamilton's entertainment. They have thus far met with splendid success and will no doubt have a full house. If the agents have not already called on you, when they do, remember this is a good place to display the latest fall goods; if they have, go immediately to one of the book stores and get a ticket.

E. D. D. JOURNAL.

Monticello Society.

The Lyon county Monticello Society held a meeting at the office of president Hamilton on Saturday, November 19th, at 3:30 p. m.

The purpose of the 15th annual meeting of the State society, which takes place at Lawrence, December 8th, and continues 4 days, gave occasion for the discussion of the representation of Lyon county at that meeting.

It was deemed best to hold a general meeting of the Society at some convenient place before the time, to discuss more fully what could be done toward an exhibition of fruit from the county. In view of this fact a meeting was called for December 1st, at 7 p. m., at Central School House in Fremont township.

The eastern part of the State is worse off than Lyon county for fruit this year, and we have been enough, so that the show of fruit does not promise to be very grand.

This Society feels like doing a little something to help out in this very unfortunate year.

If the evening should be pleasant the meeting at Central will be a very pleasant one, and quite a number of able speakers will be invited.

Good News from Ottawa.

Ottawa went Wednesday on the proposition to issue \$15,000 of bonds to the Kansas City and Emporia railroad. The following telegram gives the result:

OTTAWA, Nov. 28, 1931.

H. C. CHASE: We are all right. Beat them three to two.

L. C. WASON, Mayor.

This is a good news, and we suppose the work will now go on rapidly.
